

Your boss bullys you?
You are afraid of telling him what you think?
You need some purpose in your life?
You need to be someone?
You need to be alive?

Fight Club is not about winning or losing fights!
Fight Club is not about any words!

After one night in **Fight Club** watching football on television is like watching pornography when you could be having great sex!
You are not alive anywhere like you are alive at **Fight Club!**

After a fight nothing can piss you off!
Your word is law!

Every Sunday two to seven a.m.
